

CRAYON Shinchan

By Yoshito Usui

He's rude, he's crude, and adults tremble whenever he's around!

It's an important time around the Nohara home as Mitzi tries out for her **driver's license**. Of course Shin is only too happy to assist, but that kind of help is the **last thing** a nervous driving student needs. And it's Hiro who may end paying the ultimate price...in **insurance rates!** Then get ready for a little family fun as the Noharas head out to both a health resort and a ski lodge. But with Shin in tow, you can bet neither trip is going to be the least bit **relaxing**.

CHAPTER 12

Meet the Noharas!

SHINNOBUKE NOHARA

(aka: *Shin, Shin-chan, Shin chan, Shinchan*)

5 years old. Likes pretty girls, drawing on himself, rolling around on the floor, and eating a tasty snack called Choco-bees. Frequently uses both words and his Mom's clothing in inappropriate ways. Also obsessed with bodily functions – his own and others'.

MITZI NOHARA

(aka: *Misae*)

Shin's easily frustrated mom. She's a stay-at-home housewife with the misfortune of being Shin's full-time caretaker. Mitzi hasn't done much better in the husband department either, as Shin's Dad's behavior has to be closely monitored too. Frequently fantasizes about a better life.

HIRO NOHARA

(aka: *Hiroshi*)

A browbeaten "salary man" who is the family's sole breadwinner. He's low on the totem pole at work and doesn't get much respect at home either. Like son, like father: Hiro has the eye for the pretty girls too, and Mitzi's none too tolerant of it. He talks a lot in his sleep, which doesn't help things much.

SHIRO

Stray dog that Shin found and brought home. Somehow, he managed to convince Mitzi that if she let him keep the dog, he'd take care of it. Want to guess how that's working out? But taking care of Shiro is always a convenient excuse when Mom wants some even more unpleasant chore to get done.

It's Always Fun in the Sunflower Class!

Life as a kindergarten student is an adventure when Shinchan is in your class! Let's meet some of his friends...and his teacher.

NENE SAKURADA

A good little girl who tries to be patient with Shin, but who's always fearful of trouble ahead. Shin's encounters with Nene's mom usually end with Mrs. Sakurada dropping her mild-mannered exterior, leaving Nene traumatized by her sudden change in character. ("You're not my real mommy!")

TORU KAZAMA

A legend in his own mind, Kazama considers himself to be wiser, worldlier, and certainly classier than anyone else. Naturally, he regards Shin as an uncouth menace to society and criticizes him frequently—which of course just goes right over Shin's head.

MASAO

Poor Masao. He's a shy kid and a bit of a nervous wreck. Shin's influence doesn't really help him with his "issues." He always tries to draw Masao into activities that would make even stronger children cringe. Masao just cries. Destined to spend a lot of time in therapy.

MS. YOSHINAGA

Dedicated Sunflower class teacher who has been cursed to have Shin as one of her students. Other than Mitzi, no one has to put up with more abuse from Shin. Her archrival is Ms. Matsuzaka from the Rose Class.
